

Open House Schedule Change

We've been experimenting with the schedule for the public Open Houses at FPO for the last few years, and it's happening again. In 2007, the public Open House dates will be moved exclusively to Saturdays. As before, the weekend closest to but not over the first quarter moon is the preferred time. The schedule will go up on the website as soon as I can get to it; That will be sometime between now and the first of the year.
