

Nominations for 2008 Board and Officers and 2007 Awards

It is time for the annual changing of the guard to begin. The first step, of course is to line up a slate of nominees. Please e-mail or snail mail your nominations prior to November 2 to:

Dale Lee

Topeka, KS 66614

Nominate officers from the list provided below. This is a list of current members who reside in the Topeka area. We have several members who reside outside the state, but the logistics preclude them from actively participating in board meetings and general meetings. Feel free to nominate yourself.

AND—Nominations are also due for the Astronomer of the Year and Rising Star awards. Astronomer of the Year is a person who has done great things in the name of astronomy. Rising Star is a person new to the field who shows that they will be doing Great Things in the future. Your nomination should be accompanied by a brief explanation of your nominee.

Choose from the list of members shown below. These do not include academic or complimentary members or those who live too distant to conveniently attend monthly meetings. Arbitrarily, only the first spouse listed in the database is shown for family memberships. However, obviously you may nominate the spouse separately. Just write-in one of the blank spaces. Check the official roster for names.
